

EFD Seminar Series Spring Semester 2026

Speaker Introduction: Anne Dowling

Date and Title	Speaker	Host and Notes
January 20, 2026	 Dr. Xuanting Hao Assistant Professor Department of Mechanical and Aerospace Engineering & Scripps Institution of Oceanography University of California, San Diego, 9500 Gilman Drive, La Jolla, CA 92093 x3hao@ucsd.edu	Host: Fernando
January 27, 2026	No Seminar	

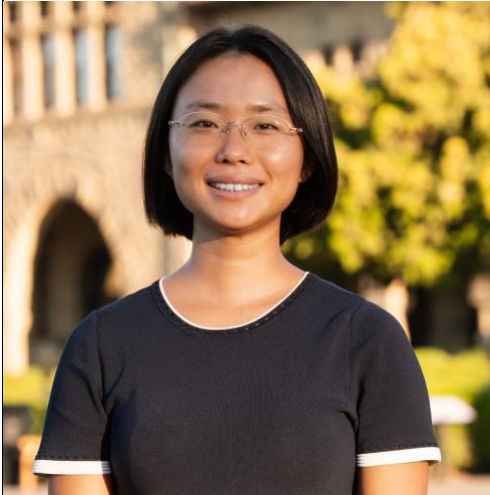

February 3, 2026	 Romit Maulik Assistant Professor Mechanical Engineering Purdue University rmaulik@purdue.edu	Host: Fernando
------------------	--	----------------

February 10, 2026	No Seminar	
February 17, 2026	Hendrik Tolman NOAA NWS	Host: Westerink
February 24, 2026	No Seminar	

March 3, 2026	 Julie K. Lundquist Bloomberg Distinguished Professor Department of Mechanical Engineering Johns Hopkins University	Host: Paola Crippa
---------------	--	--------------------

March 10, 2026	No Seminar SPRING BREAK	
----------------	-------------------------	--

March 17, 2026	 Sonia M. Kreidenweis, NAE University Distinguished Professor Department of Atmospheric Science Colorado State University	Host: Paola Crippa
March 24, 2026	No Seminar	
March 31, 2026	 Richard Flagan, NAE, Irma and Ross McCollum-William H. Corcoran Professor of Chemical Engineering and Environmental Science and Engineering Caltech	Host: Paola Crippa

April 7, 2026	No Seminar	
April 14, 2026	Dr. Yue (Olivia) Meng Assistant Professor, Lyles School of Civil and Construction Engineering Purdue University https://olivmeng.github.io/ 	Host: Andrew Kennedy
April 21, 2026	No Seminar	
April 28, 2026	Don L. Boyer 5th Distinguished Lecture  Admiral Paul Gaffney, NAE (United States Navy, Rtd; Naval Oceanography Hall of Fame Inductee)) https://en.wikipedia.org/wiki/Paul G. Gaffney II Former President of the National Defense University and former President of the Monmouth University	Host: Fernando
